## SUMMARY

ACCA Affiliate with a BCom degree and professional experience as an Assurance Consultant at Ernst & Young. Strong background in financial reporting, audit, risk assessment, and compliance. Proficient in Excel and Microsoft Office Suite, with experience in audit tools and technology. Seeking to apply my skills in financial analysis and auditing in a dynamic professional environment.

## WORK EXPERIENCE

### Assurance Consultant, Ernst and Young GDS, Kochi

Dec 2023 - Feb 2024

- Contributed to comprehensive audits for a diverse portfolio of listed US entities, ensuring compliance with regulatory frameworks.
- Validated the accuracy and completeness of financial data through detailed testing, analytical review, and cross-referencing with source documents.
- Implemented and reviewed cut-off procedures to ensure accurate recognition of transactions, contributing to precise period-end financial reporting and reducing the risk of material misstatements.
- Collaborated with global teams through virtual meetings for audit discussions and reviews.

## EDUCATION

### Association of Chartered Certified Accountants

Oct 2024

ACCA Affiliate ( With no paper exemptions )

Specialized in:

- Strategic Business Reporting (IFRS)
